# WELCOME TO

## SOUTHERN AFRICA ECO-INFRASTRUCTURE SUMMIT 2026

It is with great excitement that we introduce the Southern Africa Eco-Infrastructure Summit (SAEIS), a landmark gathering dedicated to shaping the future of sustainable real estate and green infrastructure within the southern Africa region.

As Southern Africa navigates the urgent challenges of urbanisation, sustainable infrastructure development and green real estate, the summit emerges as a strategic platform to drive collaboration between public and private stakeholders. We unite real estate developers, government leaders, urban planners, ESG professionals, investors, contractors, and innovators committed to building smarter, greener, and more resilient built environment.

This high-level event is more than a conversation, it is a call to action, showcasing innovative green real estate technologies, unlocking solutions, inform, and mobilise real change across eco-infrastructure sector

We invite you to explore the opportunities within this prospectus and join us in advancing sustainable development for a thriving Southern Africa.

We look forward to welcoming you as a valued partner at the Southern Africa Eco-Infrastructure Summit 2026.
